Kind Attn: Mr. D.K. AGGARWAL

Dear Sir,

On the basis of your keen efforts, sincere approach and technical compliance, we are pleased to give you the HVAC project for our Bavla unit.

We appreciate your co-operation since the initiation of the technical requirement for our plant and to extend your help in freezing the same, enabling our project team, especially our Mr. Pankaj Patel & Mr. R.K. Mishra to easily conclude the task.

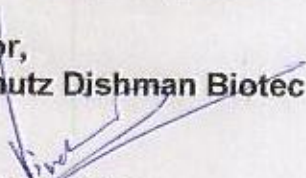

Your clientele could vouch for your technical competence, which was clearly visible during the entire process for finalization, the HVAC system.

Your experience of the USFDA and other similar approval, which were our prime requirement & concern, also, led to incline towards your company.

Our management is pleased to give this assignment to a technically competent & equally co-operative company, and expects the job to be a benchmark in our region.

With all good wishes & congratulations.

For,
Shutz Dishman Biotec Pvt. Ltd.

Vivek Mishra
